

Oakside Baptist Church

Doctrinal Position

We Believe:

- The trinity of God
- The verbal, plenary, infallible inspiration of scripture preserved in the English language by the King James Bible
- The total depravity of man
- The virgin birth of Christ
- His blood atonement
- His bodily resurrection
- Justification by faith alone
- The personal and imminent return of Christ
- The eternal security of the believer
- The autonomy of the local church
- Worldwide missions as the obligation of every Church
- A regenerated and baptized church membership
- The personality of Satan
- The reality of Heaven and Hell
- The Priesthood of every believer
- Two ordinances only – Baptism by immersion and the Lord's Supper
- Separation from worldliness- Both personal and Ecclesiastical
